Company Limited by Guarantee

A By-Law was passed by a majority vote at the Committee Meeting on 29th September 2008 to safeguard the Club Members of any financial liability the Club. This has been done under the advice of our solicitor. This will change the status of the Club to a limited company which will be run by a board of directors elected from the current Management Committee.

Children

A By-Law was passed that children are the responsibility for the members who bring them on to the premises (indoor and outdoor), and must be kept under strict control at all times. Misbehavior and illegal drinking on the part of the children may result in members being requested to remove them from the premises. Non-corporation in this request may result in disciplinary action taken against the member.

Dogs

No dogs or other pets are allowed in the Club (Excluding Guide Dogs).

Affiliated Renewals

A By-Law was passed by a majority vote at the Director's Meeting held Tuesday 20th July 2010 to change the affiliated membership renewal date for skittle and football to the 31st August to ensure that all players are members before the start of the skittles and football season. All members who do not currently fall in to this renewal date will be informed.

Other By-Laws that have been passed previously have now been included in the current Rules, which were updated May 30th 2008. A copy of these are available on request from behind the bar.
