### The Space

At present the space is unattractive but versatile. By using Shreyas Decor you can create a beautiful and unique event space for your party, wedding or celebration

### White Gathered with Mood Lighting

White silk-like fabric elegantly gathered and steamed to create a soft fresh appearance to your event space. To complete the look we will add gentle mood lighting in your choice of colour to create an uplift effect.  
Price: £1200

### Table Centre Light

A warm light emanating from the centre of your tables gives a flattering light for those sitting around it. Ideal to accentuate floristry or other table centrepiece.

Price per table : £15

### Black with White Overlays

Using black drapes to create a blank canvass we then using tall white sash drapes over the top which are then attractively lit from their bases in a colour of your choice..

Price: £855

### Starcloth

A starcloth backdrop to the stage adds a sense of drama to the dancefloor area. Starcloth is a black fabric with hundreds of tiny lights shining through it in an effect similar to the night's sky—hence the name.
